

Year: 2025
Location: Brazil
Program: Exhibition

Paper Log House at Japan House Sao Paulo

The Paper Log House is being exhibited at Japan House São Paulo as part of the exhibition "Japanese principles: design and resources"—which features resource recycling efforts and the development of new materials. The construction was carried out through a workshop led by FAU-USP, with participation from ETEC Itaquera IIs and Escola da Cidade.

Exhibition: "Japanese principles: design and resources"

Venue: Japan House São Paulo

Dates: March 24, 2025 – June 8, 2025
